

# Touch of Paradise Catering & Entertainment

## ***Production and Craft Services***

We offer catering and craft services. We can help you tailor your menu to fit the budget and need of your crew and talent. We are here to help keep your hunger satisfied and your crew and talent hydrated throughout the day with great snacks and meals. We can customize a menu for guests who prefer vegan, organic or vegetarian. If you need meals daily, weekly or the whole month, we can create meals for any size crowd. Below is a sample menu to give you an idea of what we can create to keep your staff happy and stay on budget.
